Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner discussed the reissue case with the Applicant. Applicant stated that they were within the two year broadening deadline. The Applicant will file a supplemental reissue declaration. The Examiner informed the Applicant that status identifiers needed to be included in claims 30-31, 33, 36, 39, and 44. The Examiner also informed the Applicant that an explanation of the support of the patent disclosure for the changes made to the claims needed to be done for new claims 32, 34, 35, 37, 38, and 40-43. At this point, the Examiner informed the Applicant that the claims appeared to be in condition for allowance and the Examiner will await the filing of the requested paperwork and changes stated above.
